

## Sermon

James Arthur

You don't have to say you're sorry  
Or redeem yourself to me, oh  
I'm not asking for confessions  
You don't even have to speak, no

I need you to feel that you're more than enough  
I already know you're deserving of love  
It's not a question that you are the one that I need

These are my words  
This is my voice  
That is my sermon  
Give me your heart  
Give me your pain  
Give me your burden  
Coz I can take anything that you can give  
Forgiving everything that you did  
These are my words  
This is my voice  
That is my sermon  
My sermon, yeah, my sermon, yeah  
My sermon, yeah, my sermon, yeah

Oh, time to turn this wine to water, yeah  
Time to turn this gold to lead, oh  
Time to stop taking this for granted, oh  
Gotta keep my family fed, for life

I need you to feel that you're more than enough  
I already know you're deserving of love  
It's not a question that you are the one that I need

These are my words  
This is my voice  
That is my sermon  
Give me your heart  
Give me your pain  
Give me your burden  
Coz I can take anything that you can give  
Forgiving everything that you did  
These are my words  
This is my voice  
That is my sermon  
My sermon, yeah, my sermon, yeah  
My sermon, yeah, my sermon, yeah

I don't know nothing about the service the clergy do in the churches  
I never read the book though I knew the pages were turning  
I tried to sing the hymns but I couldn't think of the verses  
Tried to confess my sins, but I didn't know how to word it  
But this is my sermon first, I'm emotionally drained  
Self-medicating hoping I can cope with the pain  
I need a face coz that'll fix whatever's broke in my brain  
Who am I kidding, no I'm going insane  
I wrote some quotes on this page, just trying to  
reach you in a hope you were late  
I'll probably just throw them away

Coz I don't know what to say  
I feel weak but I'm supposed to be brave  
I seem free but I'm enclosed in a cage  
Though I continue to partner over the plastic  
And I ain't doing it better  
Do I whimper from the future, and buckle under the pressure  
I knew I stepped to the plate, and take the chance with my life  
Come face to face with the darkness so I can stand in the light like

When I feel your love upon me  
I know I am truly blessed  
Sometimes we've gotta face the darkness  
Just lead me to the light again

These are my words  
My voice  
That is my sermon  
Give me your heart  
Give me your pain  
Give me your burden  
Coz I can take anything that you can give  
Forgiving everything that you did  
These are my words  
This is my voice  
That is my sermon

My sermon, yeah yeah yeah, my sermon, yeah yeah yeah  
My sermon, yeah yeah yeah, my sermon, yeah yeah yeah  
My sermon, yeah yeah yeah, my sermon, yeah yeah yeah  
My sermon, yeah yeah yeah, my sermon, yeah yeah yeah  
That is my sermon
