Sleepwalking

James Arthur

You've brought the sun, and I've brought the moonlight
We were two souls in a world set to collide
You've brought the wine, and I've brought the flowers, mm
We disappeared in a haze on a summer night

I'll wait, I'll wait
I'm trying to matter
In someone else's eyes
Always, always
Nothing could matter
As much as you and I

I'm sleepwalking
I dream of you sometimes
We're not talking
But do I ever cross your mind?
I don't wanna let you go
But I know, I know
Since we lost it
I'm sleepwalking
Woo-ooh-ooh

You've brought me calm, and I've brought you thunder, mm
You've stopped the panic when I got lost in the storm, oh, no
Feel the waves crashing over me
It's so hard to breathe, I just need you here
So I'll medicate just to numb the pain
Just to see you, there's no other way

I'm sleepwalking
I dream of you sometimes
We're not talking
But do I ever cross your mind?
I don't wanna let you go
But I know, I know
Since we lost it
I'm sleepwalking
Woo-ooh-ooh
I'm sleepwalking
Woo-ooh-ooh

I'll wait, I'll wait
I'm trying to matter
In someone else's eyes
Always, always
Nothing could matter
As much as you and I

Said I'm sleepwalking
I dream of you sometimes
We were not talking
Do I ever cross your mind?
I don't wanna let you go
But I know, I know
That since we lost it
I'm sleepwalking
Since we lost it

```
I'm sleepwalking
Woo-ooh-ooh
I'm sleepwalking
```
