

# Never Be The Same

James Barker Band

Somethin' must've gone wrong in my brain  
Got your chemicals all in my veins  
Feelin' all the highs, feelin' all the pain  
Let go on the wheel, it's the bullet lane  
Now I'm seein' red, not thinkin' straight  
Blurrin' all the lines, you intoxicate me

Just like nicotine, heroin, morphine  
Suddenly, I'm a fiend and you're all I need  
All I need, yeah, you're all I need

It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit of you, I knew I'll never be the same  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit of you, I knew I'll never ever, ever be the same

I'll never be the same  
I'll never be the same  
I'll never be the same

Sneakin' in L.A. when the lights are low  
Off of one touch, I could overdose  
You said, "stop playin' it safe  
Girl, I wanna see you lose control"

Just like nicotine, heroin, morphine  
Suddenly, I'm a fiend and you're all I need  
All I need, yeah, you're all I need

It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit of you, I knew I'll never be the same  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit of you, I knew I'll never ever, ever be the same

I'll never be the same  
I'll never be the same  
I'll never be the same

You're in my blood, you're in my veins, you're in my head (I blame)  
You're in my blood, you're in my veins, you're in my head

I'm sayin' it's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame (you're to blame)

Just one hit of you, I knew I'll never be the same (I'll never be the...)  
It's you, babe  
And I'm a sucker for the way that you move, babe  
And I could try to run, but it would be useless  
You're to blame  
Just one hit of you, I knew I'll never ever, ever be the same
