Bad

James Bay

I know it hurts that we don't touch anymore
It's even worse 'cause we built this from the floor
It's just as hard for me to know I might see you 'round
It's just as hard for me to worry 'bout reachin' out

The more I think about you, the more I keep the ghost alive
Yeah, the more I think about you, the more I keep the ghost ali
ve

I want you bad, but it's done
I'm bleeding out, 'cause we can't go on
I want you bad, 'til I shake
I want what we've had, but what's broken don't unbreak

Just when I'm ready to get over you, you call me up
And then I crumble when you say you're getting over us

But the more I think about you, the more I keep the ghost alive
Yeah, the more that I'm without you, the less I know if I was r
ight

I want you bad, but it's done
I'm bleeding out, 'cause we can't go on
I want you bad, 'til I shake
I want what we've had, but what's broken don't unbreak

And I won't tell you
what I want to, what I want to
I'm falling through
I can't hide it, but I learn to

'Cause I want you bad, but it's done
I'm bleeding out, 'cause we can't go on
I want you bad, 'til I shake
I want what we've had, but what's broken don't unbreak

I want you bad, but it's done
I want you bad, but we can't go on
