

Pink Lemonade

James Bay

Don't fall into my arms
Don't ask me to repeat it
Don't suffocate my heart
I don't know what I'm feeling

Do you wanna talk?
Do you wanna talk it through?
Swear I ain't got anything on my mind
I don't wanna talk to you
(Don't ask me)
Do you wanna talk?
Do you wanna talk it through?
Swear I ain't got anything on my mind
I don't wanna talk to you

Don't fall into my arms
I'll only disappoint you, I'll let you down
Don't go sounding the alarms
When all I do is want you

(So don't ask me)
Do you wanna talk?
Do you wanna talk it through?
Swear I ain't got anything on my mind
I don't wanna talk to you
(Don't ask me)
Do you wanna talk?
Do you wanna talk it through?
Swear I ain't got anything on my mind
I don't wanna talk to you

Let me wake up heavy head lying in my bed with you naked
Go put that song on that you love on repeat, until we can't take it
I wanna drink pink lemonade, watching movie trailers till it's late
And let's remember all the ones that we think are gonna make our hearts break

(Don't ask me)
Do you wanna talk?
Do you wanna talk it through?
Swear I ain't got anything on my mind
I don't wanna talk to you
(Don't ask me)
Do you wanna talk?
Do you wanna talk it through?
Swear I ain't got anything on my mind
I don't wanna talk to you

(You)
(Thinking of you)
(I'm just thinking of you)
(Thinking of you)
(Thinking of you)
(Thinking of you)
(I'm just thinking of you)
(Thinking of you)

I'm protecting you
I'm protecting you
I'm protecting you
From what I don't wanna have to say
I'm protecting you
I'm protecting you
I'm protecting us
'Cause I don't wanna walk away

(You)
(Thinking of you)
(I'm just thinking of you)
(Thinking of you)
