

Talk

James Bay

I don't know how to talk to you
I gotta give you something true
There's nobody to blame this time
That's all mine

And if I run away
I can't say I'm sorry
And I know I'm late
But I still wanna try
I did it to myself
And it'll never be the same again
But never again, never again
It'll never be the same again

I don't get to say how this goes
I don't get the keys or control
But I know but I know
You should'a never hurt this much
Or at all

If I run away
I can't say I'm sorry
And I know I'm late
But I still wanna try
I did it to myself
And it'll never be the same again
But never again, never again
It'll never be the same again
I know

Never again
Never again
I can't run away

If I run away
I can't say I'm sorry
And I know I'm late
But I still wanna try
