

Do You Ever

James Blake

I wanted the two seat version (Two seat)
I wanted the Saturday version (Saturday)
I thought there was more

Do you ever think about me?
Really, if you're honest with me?
I'd like to say it's two way
(Really? Really? Really?)
Do you ever think about me?
Really, if you're honest with me?
I'd like to say it's two way
(Really? Really?)

In my slideshows
You come off so well
Better than I ever remember
Better than I ever remember
You come off so well
Better than I ever remember
Better than I ever remember
