

# If I'm Insecure

James Blake

If I'm so happy  
How am I losing all this sleep?  
If I'm the only child  
How do I feel like the black sheep?  
If this is what we always wanted  
How's the signal so weak?  
If I'm loved unconditionally  
How's this condition so unique?  
So unique

But when you're with me  
I feel like I'm embracing it  
And when you cry  
I know that you've been saving it

And if I'm insecure  
How have I been so sure that I'm gonna care for you?  
Until I am no more  
And if I'm insecure  
How have I been so sure that I'm gonna care for you?  
Until I am no more

But if this life matters  
How am I still wasting it?  
If I'm an animal  
Shouldn't I be embracing it?

When you're with me  
I feel like I'm embracing it  
And when you cry  
I know that you've been saving it for me

But if I'm insecure  
How have I been so sure that I'm gonna care for you?  
Until I am no more  
How have I been so sure that I'm gonna care for you?  
Until I am no more  
If I'm insecure  
How have I been so sure that I'm gonna care for you?  
Until I am no more  
How have I been so sure that I'm gonna care for you?  
Until I am no more
