

# I'm So Blessed You're Mine

James Blake

Lover, is it alright the way it is?  
Lover, I've seen it all now, now I've seen this  
Never saw you cry, well  
Then I saw the smoke  
You never saw her laugh with me  
But away we go

I'm so blessed you're mine  
I'm so blessed you're mine (Girl)  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine (Girl)  
I'm so blessed you're mine  
I'm so blessed you're  
I'm so blessed you're

Lover, is it alright if I try again?  
Lover, if I hate the world now, it's not the end  
Never saw you cry, well  
Then I saw the smoke  
You never saw her laugh with me  
But away we go

I'm so blessed you're mine  
I'm so blessed you're mine (Girl)  
I'm so blessed you're mine  
I'm so blessed you're (Okay)  
I'm so blessed you're mine  
I'm so blessed you're mine (Girl)  
I'm so blessed you're mine  
I'm so blessed you're  
I'm so blessed you're

I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine  
I'm so blessed you're mine

I'm so  
I'm so

I'm so blessed you're mine  
I'm so blessed you're mine (Girl)
