

Timeless

James Blake

Timeless, timeless
Timeless, timeless

I can't be selfless
I'm acting my age
You know you slide out when you slide in with graceful shadow
You know you slide out when you slide in with graceful shadow

Timeless
Timeless

Timeless

You know you slide out when you slide in
You know you slide out when you slide in
You know you slide out when you slide in
You know you slide out when you slide in

Timeless
Timeless
