James Blake

[Chorus:]

I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.

[Verse:]

Cause I am flawed  
When I am through those doors  
Cause I am flawed  
Times unsure  
I should do whatever will make you feel secure

[Chorus: 11x]

I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.  
I don't mind, it was all me.
