

## Big Strong

James Brown

They say love ain't nothin' but the blues  
Everybody got the blues sometimes  
They say that love ain't nothin' but the blues  
And everybody got the blues sometimes  
Come on over here, try me, baby  
Get a taste of this blues of mine

I wanna know do you know what it means to be in love?  
Do you know what it means to be mistreated day and night?  
Do you, do you, do you know what it means to be in love?  
Do you know what it means to be mistreated day and night?  
Most of all, when you love someone  
You always take the wrong instead of the right  
And all I wanna ask ya, plenty blues
