

# Can I Get Some Help

Huh, uh  
Hit it now  
Yeah  
Yeah

I got my love in my  
In my heart  
Don't want nobody to heal my pain  
Got myself together  
Tear comin' down  
Down my cheek like rain

When I get up  
Gonna cry no more  
That the whole other people say  
I was there  
I got to proove, I gotta show 'em

Can I get some help?  
Can I get some help?  
Can I get some help?  
Can I get some help?

Help me babe  
Help me  
Woah, I gotta have it  
I need it

Ha  
Can  
Ha  
Hit now  
Got it  
You're gonna go

And I put the right place  
You don't understand me now  
On the saint moments, huh  
Baby, you see  
I'm all alone  
Got nobody  
Help me when I dance

Keep on goin'  
And will you help me?  
Woah, no  
Will you help me?  
Woah, no  
Will you help me babe?  
Will you help me now?

Woah, will you help me babe?  
I'm all alone

Ain't got nobody  
No more  
Will you help me?  
Will you help me?  
Woah, will you help me babe?
