The star of the show Hardworking Mr. Dynamite James Brown, Brown, Brown Yo, I don't mean to brag, there's the tag Brown got a brand new bag Shining star up to par, bars guitars So far so good, gettin' greater at last Where it counts, later for the last First you're dead and stinkin' Thinkin', winkin', drinkin', sinkin' Ba ba ba blinkin' Baby paw, New York City is in the house Without a doubt, we turn the mutha out Routs threw out shouts, "Ain't we funky now?" Godfather, soul brother number one Ugh (Ugh) Uqh (Ugh) Uqh I'm hot, huh 90 are levels of degrees burnin' Turnin' in a rough rotation Livin' in the land of the lost and found Can't drown in sounds of the James Brown, Brown, Brown, Brown This is the mixture when you add hard texture Can't get no harder, so I'm out to getcha Its essence felt, you're turned inside out Fellas, what you gon' say now? Thirsty? Not, my verse just quenched your thirst From the burst of energy shinin' on the appetite Can't cross the thin line of the end of my time (Hah) Hold it, I'm still burnin', pop or not I come to break up slots 'Cause it can't get no harder Give it to me, Godfather Can't get any harder Than what I got, 'cause what I got is sho' nuff hard to stop Can't get any harder 'Cause what I got, 'cause what I got is sho' nuff hard to stop, hey I've been around for a long time Don't let nobody bring me down Rock solid, solid as a rock Too smooth to move and too hard to stop

Oh yes, come and get with this entourage

As we get busy in the garage Leaders of the new, forever large 'Cause we got the funk flip script, oh yes

Get up and ill, everybody move your hip Scream out, "Yes" That's what I'm talkin' about, ah Busta, Leaders come and turn it out

Don't try to front on the flavor Save that for later Or join the Maker in the spirit like an elevator You wanna know somethin' funny?

I was devastated when I elaborated how we collaborated With singers in music activated

Most necessary that we salute many too livin' legendary
James Brown comin' to you, better open the door

Because I wanna mop the floor

Do it, ya gimme some rap, now, hah Put it there Welcome to the club, huh Bring it all together

Can't get any harder, ugh
Than what I got
(Soul)
'Cause what I got is sho' nuff hard to stop

Can't get any harder, ah good God
Than what I got
(Soul)
'Cause what I got is sho' nuff hard to stop

I've been around for a long time
Don't let nobody bring me down
Rock solid, solid as a rock
Too smooth to move and too hard to stop

Can't get any harder
Ugh, agh move, a
Ooh yes, a
The groove move ya

Can't get any harder
Than what I got, 'cause what I got is sho' nuff hard to stop
Can't get any harder
'Cause what I got, 'cause what I got is sho' nuff hard to stop

Brown
