

Interview

James Brown

What's special about this album?

What's special about it, is uh... it's cleaned up a lot of things, that should be cleaned up

You know, I've never cut with Full Force before. Uh, it's- it's kinda challenge, you know?

And it was nice to see them do things, that I've done before I just remain humble, you know?

Their lyrics, so... very intelligent, very intelligent

When I did lyrics, I say, you know... some I got near right

The beat different?

The beat is, um... things I did 20 years ago

What I did 20 years ago, is what they're doing tomorrow
