

# It's Magic

James Brown

You sigh the song begins  
You speak and I hear violins  
It's magic  
The stars desert the skies  
And rush to nestle in your eyes  
It's magic

Without a golden wand  
Or mystic charms  
Fantastic things begin  
When I am in your arms

Baby, when we walk hand in hand  
The world becomes a wonderland  
It's magic  
How else can I explain  
Those rainbows when there is no rain?  
It's magic, do you hear me?

Why do I tell myself  
These things that happen, happen are all really true  
When in my heart I know  
The magic is my love for you

Hit me

Mmmm, it's magic  
Ay yay yay yay, there it goes, it's magic

Why do I tell myself  
These things that happen are all really true  
When in my heart I know  
The magic is my love for you

Why do I?
