Later for Dancing

James Brown

Bad, bad, superbad, tell me where your head is at?
I can't, can't get, baby
Oh yes I love you, won't you too, sayin' nothing I won't do
We can make it, baby

I did not think that you were here to party
(I asked you for a dance, you wanted to romance)
You had that glow inside your eye, [?]
(I asked you for a chance, you did not want to dance) Oh!

(Later for dancing, let's start romancing, oo-wee)
Later for dancing, I wanna give you my love
(Later for dancing, let's start romancing, oo-wee)
Later for dancing, I wanna give you my love

(Feeling's right, stay the night)
I want you bad, bad, superbad, show me where your head is at
I can't, can't get, baby
Oh yes I love you, won't you too, sayin' nothing I won't do
We can make it, baby

(Oh, I'm in the mood for making love with you, baby, tonight
Maybe the mood is right, you'll give me your love tonight)
Let's not waste no time, we'll make it, make it real fine

(Later for dancing, let's start romancing, oo-wee)
Later for dancing, I wanna give you my love, oo-wo-wo-wo-wow!
(Later for dancing, let's start romancing, oo-wee)
Later for dancing, I wanna give you my love

Later for dancing, I wanna give you my love, ooh!
(Later for dancing, I wanna give you my love, ooh yeah)
Later for dancing, oo-wo-wo-wo-wow, oooah!
(Later, later, I wanna give you my love, yeah yeah)

I... love you, I love you, I love you
(I wanna give you my love, all night long)
(Feeling's right, stay the night) Later...
Later for dancing, (I wanna give you my love)

(Feeling's right, stay the night)
Later, later, later, later...
(Feeling's right, stay the night)
(Later for dancing, I wanna give you my love...)
