

Let It Be Me

James Brown

God bless the day I found you
I want to stay around you
Now and forever, let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever, let it be me

Each time we meet, love
Vicki, I find a complete love
James, oh James, without, without your sweet love
What would life be?

So never leave me lonely
Tell me you love me only
Now and forever, let it be me

God bless the day I found you
I want to stay around you
Now and forever, let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever, let it be me

Each time we meet, love
Oh James, oh James, I find complete love
Vicki, without your sweet love, tell me
What would life be?

Never, never never leave me lonely
Tell me you love me only
Now and forever, let it be me

(Sing it one more time)
Now and forever, let it be me
(One more time)
Now and forever, baby, let it be me
(Sing it)
Now and forever, baby baby, let it be me
(Huh, sing it)
Baby, baby, baby (Good God, sing it), let it be me
(Sing it for me)
Baby, oh baby, let it (Let it, baby)
Baby, oh baby, let it (Oh)
Baby, oh baby, let it
