

Let's Make It

James Brown

Yeah pretty baby listen to what I say
You will always pay my way
Let me hear pretty baby
Remember what you say
Daddy I will always bring you my bread
I feel so bad I just can't take it
Come on honey and let's make it
Baby you know you've got to move
Ain't no stamina, ain't no groove
Baby you know we've got to move
Ain't no stamina, ain't no groove
Baby you know we've got to move
Move

We'll party every day
And give you all of my pay
And all I can do pretty baby
Is get on my knees and pray

Hey baby you can't leave me this way
But I want to tell you
That I ought to make it today
Tell me
Baby tell me
You know I feel so bad
I just can't take it
You know I feel so bad

We'll party every day
And give you all of my pay
And all I can do pretty baby
Is get on my knees and pray

Come on honey and let's make it
I just can't take it no more
Let's make it
