

# Let Yourself Go

James Brown

One, two  
One, two, three

Hey everybody, let me tell you the news  
Hey everybody, let me tell you the news  
Hey everybody, let me tell you the news

It ain't just soul  
It ain't just soul  
It's just rhythm and  
Just rhythm and blues

Hey baby, let yourself go  
Hey baby, let yourself go

You're too sharp, you ain't too sharp  
Ain't too sharp, again, one more time  
Ain't too sharp, ain't too sharp  
You're just too stupid to let me dance  
I wanna prance, I've got to talk  
Just let me walk, I've got to, I've got to, got to

Hey everybody, tell you the news  
Hey everybody, let me tell you the news  
Hey everybody, let me tell you the news

You ain't too sharp, ain't too sharp  
Ain't too sharp, you're just too  
I wanna dance, I've got to prance  
I wanna feel the love with you

You've got to feel  
You just got to, got to  
I've got to feel, give it to me  
You've got to, let me

Let me, let me have it  
I've got to, got to, I've got to  
I've got to, I've got to, let me  
Oh, I've got to, tell me, I've got to
