

# Living in America

James Brown

Yeah, uh! Get up, now! Ow! Knock out this!

Super highways, coast to coast,  
easy to get anywhere  
On the transcontinental overload,  
just slide behind the wheel  
How does it feel

When there's no destination - that's too far  
And somewhere on the way,  
you might find out who you are

Living in America - eye to eye, station to station  
Living in America - hand to hand, across the nation  
Living in America - got to have a celebration

Rock my soul

Smokestack, fatback,  
many miles of railroad track  
All night radio, keep on runnin'  
through your rock 'n' roll soul  
All night diners keep you awake,  
hey, on black coffee and a hard roll

You might have to walk the fine line,  
you might take the hard line  
But everybody's working overtime

Living in America - eye to eye, station to station  
Living in America - hand to hand, across the nation  
Living in America - got to have a celebration

I live in America, help me out,  
but I live in America,  
wait a minute

You might not be looking for the promised land,  
but you might find it anyway  
Under one of those old familiar names  
Like New Orleans (New Orleans),  
Detroit City (Detroit City), Dallas (Dallas)  
Pittsburg P.A. (Pittsburg P.A.),  
New York City (New York City)  
Kansas City (Kansas City),  
Atlanta (Atlanta), Chicago and L.A.

Living in America - hit me  
Living in America - yeah,  
I walk in and out  
Living in America

I live in America - state lines,  
gonna make the prime, that  
I live in America - hey,  
I know what it means, I

Living in America - Eddie Murphy, eat your heart out  
Living in America - hit me, I said now, eye to eye,  
station to station  
Living in America - so nice, with your bare self  
Living in America - I feel good!
