Saw a good friend of mine  
Reverend Sharpton  
Walked up and said "How y'all today"  
I got somethin' to tell ya  
I was kinda cool about it  
"What ya got there Rev?"  
"Speak up, Rev"  
Rev said, "I've been around"  
I'm witcha  
"I've been around, I've been all over town  
But I found my one thing, one thing I found  
That if you wanna get down  
You better find James Brown"
