

Merry Christmas, I Love You

James Brown

It's been a long long time
Since you said that you are mine
The best time to say
Is that Christmas time

Merry Christmas (Merry Christmas)
I love you (I, I love you)

All the way I know
What it means to see
The day when everything
Is jolly and gay

Merry Christmas (Merry Christmas)
I love you (I, I love you)

I really wait
For a long long time
Since I heard you say
That you are mine
Can't you see I love you so
And I wanna tread you so right
Can't you see I really need you
You keep everything tight

It's been a long long time
Since I said that you are mine
I like to say it baby
At Christmas time

Merry Christmas (Merry Christmas)
I love you (I, I love you)

Don't go away!
Don't go away!
Don't go away!
Don't go away, baby!
Don't go away!
I got something...
...Something I got to say!

It's been a long...
I have been here a long long time
Since I heard you say
That you are mine
Can't you see it baby
I wanna love you so and tread you so right
Can't you see I really need you
And keep everything tight

It's been a long long time
Since you said that you are mine
But baby I like to say
At Christmas time

Merry Christmas (Merry Christmas)
I love you (I, I love you)

Stop it
Stop it
Stop it
Stop it
Stop it, baby
Stop it
Stop it, baby
