

# Problems

James Brown

Problems

Problems with your girl today

Problems

Problems with your man today

Situations

Hard to handle

Got me going out of my head

There's so much pressure

I just can't deal

You think it's all about

You and that sex appeal

But I got problems

(Slickin' around on the "L" to the hotel, all around town)

Let me know

(Who's it gonna be, him or me)

It can't be three

Problems

Problems with your girl today

Problems

Problems with your girl today

[Coffee Brown]

Here we are

The two of us together

Taking this crazy chance

To be all alone

My man don't know

That we been loving each other

'cause if he found out

We'll have nothing

Nothing but

Problems

Problems with your man today

[Next]

Said, can I get a witness

So many problems

Can I get a witness

[Coffee]

Can I get a witness

So many problems

Can I get a witness

[Repeat: x2]
