Show Me

James Brown

If you love me (you got to hold me)
If you love me (you got to hold me)
You got to tell me you love me
And kiss me, like you never, never did before!

Oh! If you want me (you got to fawn me)
If you want me (you got to fawn me)
You got to tell me you love me
Like you never, never did before!

Oh! If you need me (you got to show me)
Darlin', darlin', darlin', if you (you got to show me)
Oh, you got to tell me
Like you never, never
Like you never did before!

Oh! Darlin', darlin', darlin', darlin' (you got to show me)
Darlin', darlin', darlin', darlin' darlin' (you got to show me)
You got to hug me and kiss me
Like you never, never did before... oh!
