

# The Right Time

James Brown

You know the night time is the right time  
To be with the one you love  
Oh baby, you know I love you  
I just wanna be the one you love, yeah

I know the night time, oh, is the right time  
To be with the one you love...  
You know the one I'm thinking of!

Well, my mother had decided  
She said... and my father  
Dropped like little and cried

Aha, baby, baby  
You know I love ya  
I place no one above ya

And you know the night time, oh, is the right time  
To be with the one you love...  
You know the one I'm thinking of!  
Now Cass, I want you to tell 'em, tell 'em!

(Baby, baby, baby, oh baby  
Hold me tight, like everything's alright  
You know the night time, oh, is the right time  
To be with the one I love...)

Let me say it: baby, baby, baby, oh baby  
You know I love ya  
I place no one above ya  
Wanna hold you tight  
Make everything alright  
I know the night time, wow, is a right time  
To be with the one you love...  
Cass, I'm gonna play some organ right here!  
Is it alright, Kevin? (Oh, yeah)

Baby, baby, baby, baby  
I know the night time is a right time  
To be with the one I love...  
You know the one I'm thinking of!  
I know the night time, oh, is a right time  
To be with the one I love...  
The one I'm thinking of!  
Go on, Cass!

(Baby, baby, baby, oh baby  
Mmhmm, ooh yeah...)  
Oh, say it Kevin, say it!  
(You know the right time) oh, would be the night time, yeah  
(Yes you do, to be with the one I love)  
Could ya call 'em one more time, Cass!

(Oh, baby) baby, call 'em  
(Ooh, baby) Call 'em baby, yeah  
(Baby) baby (oh, baby)  
You know I love ya (you know I love ya)

I place no one above ya (I place no one above ya)  
Hold me tight, make everything alright

(You know the night time, oh, is the right time  
To be with the one I love...)  
Cass, can I call my baby? (Oh...)  
I wanna say... baby (baby)  
Baby (baby)  
Hold me tight (hold me tight)  
Make everything alright (oh... baby!)

Oh, I love ya  
Place no one above ya  
I feel so good, yeah! (oh...)  
I feel so good, yeah  
'Cause I know the night time (I know the night time)  
Feels so good...
