## There It Is

## **James Brown**

Ow, there it is

Hey, soul, soul Need a taste Mine is right, yeah In the right place

You're doing your do Like you want to be Give up trying To run the game on me

Then dig it
From the real side
Stand, sure enough
To be satisfied

Meet be at the big house Get down Let everybody know Let everybody know

My main squeeze
Just hit the town
Get up and do what, what you can
Get up and do what you can

For the world to see Games don't mean Nothing to me

You can't run a game on me Don't need to thank me Don't mean a thing Hey, hit it, come on, uh

Playing in the car Wipe the sweat Gonna have some fun Time's getting short

We got to move
But in the meantime
Mama, we got to groove, hey

Long as you see
Can't run a game on me
Long as you see
Games don't mean a thing to me
Long as you see

Hey, hey Hey, hey Hit it

Hit it, hit it Hit it, hit it, hit it Well, then dig it From the real side Stand, sure enough And be satisfied

Meet at the big house Where we all get down Let everybody know The main man just hit the town

Got a mean man
We got a mean man
I wanna see the man scream
I got the mean man
