

# This Guy - This Girl's In Love

James Brown

I feel good tonight  
So do I  
You feel good? You're freshly out of the Apollo, too, right?  
Yes  
You know, if someone was in love with you, would you be able to dig it?  
No, I don't think so  
You couldn't dig it?  
No  
But would you like that?  
I'd love it  
Listen to this

See, you see, this guy, this guy's in love with you (Really?)  
Yes, I'm in love, who looks at you the way I do  
When you smile, I can tell we know each other very well  
I care, I'll show you  
I'm glad I got to know you, 'cause

I've heard some talk (What you hear, baby?)  
They say you think I'm fine (Speak for yourself)  
This girl's in love (Huh?)  
And what I'd do to make you mine  
Tell me now, is it so? Don't let me be the last to know  
My hands are shaking  
Don't let my heart be breaking, 'cause (Why?)

I need your love  
Lyn, I want your love  
Hey James, say you're in love, in love with this girl  
I wanna tell you right now, darlin', I want you to know, baby  
I, if not, I'm this guy, oh  
Oh yes, we're in love, hey baby  
Oh yes, we're in love  
Oh yes, we're in love  
I wanna tell you, I love you  
Oh, don't you know I love you  
I love you  
Said I love you  
Like the way you walk  
Oh baby, I wanna tell you that I...  
Love the way you talk  
Ah baby, oh  
Sometimes when you smile  
I know we're in love  
Sweet little baby child  
Know we're in love  
I need you  
Know we're in love  
Want you for myself  
Oh yes, we're in love  
Ah, no one else, 'cause I said always in love, let's say it together  
Oh yes, we're in love  
This is pretty good, come on  
Oh baby  
Oh yes, we're in love
