

# You Are My Everything

James Brown

At night, in the evening  
Early in the morning, I just wanna say...  
(You are my everything) Everything, oh!  
(You are my everything) Oh, you are my...  
(You are my everything)

I love you in the morning  
Wrong or right, late at night  
Just the two of us  
No struggle, no fight  
Just the two of us  
You and I, that's no lie  
I just wanna say to you right here, that...

(You are my everything) Everything, oh!  
(You are my everything) Oh, ow...  
(You are my everything)

Oh darling, I want you for myself  
I don't want you to have no one else  
I remember, a man had two lovers  
Oh, he lost one, he lost his fun  
But other one wasn't true  
Well, as the time got short  
He lost the other one  
There goes the two

But me, darling? I want you to know it's in my heart  
And I know that we will never, never part  
And I just wanna say right here, that...

(You are my everything) Everything, oh!  
(You are my everything) Oh...  
(You are my everything)

We all got faults, all got plights  
I got my problems, you got yours too  
Just me and you, oh!  
Just me and you, just us two  
I declare, that you've been unfair  
Just us two, just me and you!  
I just wanna say...

(You are my everything) Everything, oh!  
(You are my everything) Everything  
(You are my everything) Everything, oh!

So long, so long, gee I hate to see you go...  
You've been good to me, you know, so long, so long...
