

# City of Nightmares

James Durbin

Demon, try to take you away  
And bleed you like a vein  
Angel, we don't wanna be seen  
All the smoke and mirrors is where they used to be  
Ten million hearts try to find the line  
In a world of misery  
Consuming the flesh that burns throughout because of history

Don't be afraid  
We're gonna make it there someday  
And when you break  
You're gonna know about hell to pay

So let it burn, burn alive  
Give me more 'cause it's my time  
I sold my soul to live this life  
In the city of nightmares!  
And I don't care if I die  
'Cause where I go  
Is how I decide  
I buy the ticket and take the ride  
In the city of nightmares!

Let it go!

Be where the sick and deranged  
Lies and paranoia feed the city of hell  
(Shutdown)  
No longer back in the scene  
Standin' on the shelf no longer livin' the scene  
Ten million hearts try to find the line  
In a world of misery  
Consuming the flesh that burns throughout the cause of history

Don't be afraid  
You're gonna break it there someday  
And when you break  
You're gonna know about hell to pay

So let it burn, burn alive  
Give me more 'cause it's my time  
I sold my soul to live this life  
In the city of nightmares!  
And I don't care if I die  
'Cause where I go  
Is how I decide  
I sold my soul to live this life  
In the city of nightmares!

And I don't care if I die  
'Cause where I go  
Is how I decide  
I buy the ticket and take the ride  
In the city of nightmares!

So let it burn, burn alive  
Give me more 'cause it's my time

I sold my soul to live this life  
In the city of nightmares!  
And I don't care if I die  
'Cause how I go I decide  
I buy the ticket and take the ride  
In the city of nightmares!

So let it burn, burn alive  
Give me more 'cause it's my time  
I sold my soul to live this life  
In the city of nightmares!  
And I don't care if I die  
'Cause where I go I decide  
I buy the ticket and take the ride  
In the city of nightmares!
