

# Expectation

James Fortune & FIYA

(Can we go to the islands on this one?  
Hah, yeah!  
What do you expect?)

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

(Put your hands together now, hahah, yeah!  
Your blessedness is connected to your seed  
Your seed is about to produce a miracle  
Let's go!)

Everything that's been promised  
I receive if I believe  
(His word will not return void)  
His word will not return void  
What's been spoken, shall come to pass  
(I want everything)

Everything that's been promised  
I receive if I believe  
(I believe if God said it)  
His word will not return void  
What's been spoken, (come into pass) shall come to pass

(I expect greater)  
I expect greater  
Pressed down and shaken together  
My cup runneth over  
(No longer living with just enough)  
I have more than enough

Everything that's been promised  
I receive if I believe  
His word will not return void  
What's been spoken, shall come to pass

I expect greater  
Pressed down and shaken together  
My cup runneth over  
I have more than enough

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living

In the overflow

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

Fellas  
Put your hands up if you want more  
Are you expecting more  
Do you do you.do you want more  
I need to see you move it!

Put your hands up if you want more  
Are you expecting more  
Do you do you.do you want more!

I am expecting double  
I am expecting more  
I am expecting an overflow, overflow

I am expecting double  
I am expecting more  
I am expecting an overflow, overflow

I am expecting double  
I am expecting more  
I am expecting an overflow, overflow

I am expecting double  
I am expecting more  
I am expecting an overflow, overflow

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

(Everybody say Oh)  
Oh... oh oh oh  
Oh oh oh  
Oh oh oh

I expect double  
I expect more  
I am living  
In the overflow

I expect double  
I expect more  
I am living  
In the overflow

(Now convince me, say Oh)  
Oh... oh oh oh

Oh oh oh

Oh... oh oh oh  
Oh oh oh  
Oh oh oh
