

Favor of God

James Fortune & FIYA

Let's go!

Yep

Yeah

Let's do it!

If you know you've got favor on your life, sing this

I got it, and I love it
The favor of God is all over me
I got it, and I love it
The favor of God is all over me
I got it, and I love it
The favor of God is all over me
I got it, and I love it
The favor of God is all over me
And I ain't even asked for this y'all
And it ain't my fault

Hey, yeah! Why you mad at me?
And it ain't my fault
I wanna do that again everyone, say I got it
I got it, and I love it (favor)
The favor of God is all over me
I got it, and I love it
The favor of God is all over me
(I got it and I love it)
I got it, and I love it
(You love it? Yeah I love it)
The favor of God is all over me
I got it, and I love it
(God gave it to me)
The favor of God is all over me
(It's all over me, and it ain't even my fault)

Yeah if you know favor's on your life say
(And it ain't my fault)
Favor ain't fair, but it surely is fun
Say it ain't
(And it ain't my fault)
My fault, haha
It's like favor be stalkin' me y'all
(And it ain't my fault)

Listen we got an Earth
It's as they say
God gave it to me

God gave it to me
His favor never stops following me, and (He's got his hand on me)
He's got his hand on me
That's what the weather woman gets me showing (We ain't givin' up)
We're never giving up (We keep it moving)
Keep it moving 'cause the strength is us, and (And I know)
And I know (that it shows)
That it shows (Everywhere)
Everywhere that I go (Said I got it)

I got it, and I love it

The favor of God is all over me
I got it, and I love it (The favor)
The favor of God is all over me
I got it, and I love it
The favor of God is all over me (Oh I like that)
I got it, and I love it
The favor of God is all over me
(I need you to say "And it ain't my fault")
And it ain't my fault

I would here that verse one more time
If you know God gave it to you say "God gave it"

God gave it to me
His favor never stops following me, and (He's got his hand on me)
He's got his hand on me
That's what the weather woman gets me showing (And we ain't)
We ain't never giving up
Keep it moving 'cause the strength is us, and (And I know)
And I know (You'll see it)
That it shows (Everywhere)
Everywhere that I go

Good God
Everybody clap the hands, clap your hands
Good God of mine, yeah
I'm feelin' this right here
I got favor
Yeah?
Yes sir
When people see you they gon' notice something different about you
And they gon' ask you something like this
"What's that man I see?"
(It's the favor of God all over me)
"Oh, what is it that I see now?"
(It's the favor of God all over me)
"Oh what's that man I see?"
(It's the favor of God all over me)
"What is it that I see?"
(It's the favor of God all over me)
"What is it that I see?"
(It's the favor of God all over me)
"What's that that I see?"
(It's the favor of God all over me)
I'm so glad I got favor
(It's the favor of God all over me)

Wait a minute Zacardi, I wanna ask y'all a question
Do you got favor?
(Yeah, I got that favor, I got that favor)
Haha yeah, do you got favor?
(Yeah, I got that favor, I got that favor)
I wanna know, do you got favor?
(Yeah, I got that favor, I got that favor)
I see, do you got favor?
(Yeah, I got that favor, I got that favor)
Come on back here partner

Ooh, what's that man I see?
(It's the favor of God all over me)
Ooh what is it y'all?
(It's the favor of God all over me)
James I gotta know, what is it?

(It's the favor of God all over me)
You ain't have nothin' to do with it
Let's say one more time I wanna know

Do you got favor?
(Yeah, I got that favor, I got that favor)
Do you got favor?
(Yeah, I got that favor, I got that favor)
I know it ain't fair Lord
(Yeah, I got that favor, I got that favor)
It ain't fair, but it sure is fun
Do you got favor?
(Yeah, I got that favor, I got that favor)
That's enough
Oh my goodness
Hey, yeah!
Haha, if you got favor you ought to give God a praise
Say "I got it, I got it, I got it!"
