

Grace Gift

James Fortune & FIYA

Who am I that You would think about me?
Why would You care enough to come down for me
What did I do to receive something so precious?
Your only son that came just to save us

I am so unworthy that You came for me
The sacrifice You gave so I can live free
I didn't deserve God's grace gift to me

No greater love could God have shown
He loved me so much and even gave me His own
God expressed how much He loved us
In sharing this gift with the world
I'm forever indebted
Receive grace we could not afford

I am so unworthy that You came for me
The sacrifice You gave so I can live free
I didn't deserve God's grace gift to me

I am so grateful to you
My sins are gone because of You
It was grace, loving grace
Saving grace, yes Your grace
I give my life I owe it to You
Where would I be without You
It was grace, loving grace
Saving grace
Thank You for giving me

A grace gift from a great God
A grace gift from a great God
A grace gift from a great God

A grace gift from a great God
A grace gift from a great God
A grace gift from a great God

A grace gift from a great God
A grace gift from a great God
A grace gift from a great God

A grace gift from a great God
A grace gift from a great God
A grace gift from a great God

I didn't deserve
I didn't deserve
I didn't deserve God's grace gift to me
