James Fortune & FIYA

It's been a lot going on  
Let's bring some joy back

I can't hide it (Yeah, yeah)  
Yeah, I know that this is real 'cause it's giving me the feels  
Can't deny, no (Uh, even if I wanted to)  
I can't explain it, hard to contain it  
And it won't leave me alone (You think I'm tripping when you see me 'cause God got)  
Got me smiling through the pain, dancing the rain  
Got my mind blown (It don't make no sense)  
Yeah, I know (And now you wondering)

How you keep it moving (Yep)  
It's the joy of the Lord (You're asking)  
What keeps you smiling? (It's the joy of the Lord)  
It's the joy of the Lord (It's the joy of the Lord)  
How you keeping it together?  
It's the joy of the Lord (Ha, I know what it is)

All of the times He came through for me (Too many to count)  
Can't count the way that He made for me  
It's the reason I'm feeling what I been feeling inside (This love hit different)

Lift my hands, tell my worries goodbye (I ain't worried, I know)  
It's gon' be alright (It's gon' be alright)  
All alright (It's gon' be alright, but everybody keeps asking)

How you keep it moving (Tell 'em)
