

Let Your Power Fall

James Fortune & FIYA

Let your power fall
When your name is called
Prove the doubters wrong
You're still mighty and strong

So fight this battle for me
And help my unbelief
So I can tell all my friends
That you have won again

You have won again.
You have won again.
You have won again.

Hallelujah
Hallelujah
Hallelujah
You have won again.

Hallelujah
Hallelujah
Hallelujah
You have won again.
