

Light the Way

James Fortune & FIYA

Light the way
i don't wanna move without you
I just wanna be where you are
In the desert or promise land
As long as you with me
Light the way

Spirit lead us
Go before us
Stay with us
we are desperate for your presence
Lord guide us [x2]

Jesus shepherd king
lead us in your truth
We are listening

Light the way
i don't wanna move without you
I just wanna be where you are
In the desert or promise land
As long as you with me
Light the way

I don't wanna breath without you
I just wanna stay in your heart
Where I'll never be afraid
As long as you with me
Light the way

Now let your goodness
Pass before us
Protect us
Blessed savior
Guider Shelter you love us

Jesus shepherd king
lead us in your truth
We are listening

Light the way
i don't wanna move without you
I just wanna be where you are
In the desert or promise land
As long as you with me
Light the way

I don't wanna breath without you
I just wanna stay in your heart
There I'll never be afraid
As long as you with me
Light the way

Your presence is with us
Your light is piercing through the darkness
Your promise fight for us
Oh Jesus light the way [x2]

Light the way
I don't wanna move without you
I just wanna be where you are
In the desert or promise land
As long as you with me
Light the way

I don't wanna breath without you
I just wanna stay in your heart
Where I'll never be afraid
As long as you with me
Light the way [x2]

Call & Rspns ...Am not moving unless you move [x4]
Call & Rspns ...Go with us
Call & Rspns ...Stay with us
Call & Rspns ...Protect us
Call & Rspns ...Lord guide us
Call & Rspns ...Am not moving unless you move [x2]

Your presence is with us
Your light is piercing through the darkness
Your promise fight for us
Oh Jesus light the way

Light the way
I don't wanna move without you
I just wanna be where you are
In the desert or promise land
As long as you with me...
