James Fortune & FIYA

There's one thing that'll never change
When I call on God, he comes for me
He continues to do, do things I can't explain
God keeps performing miracles for me
He keeps on doing amazing things

The doctor said, "it's not looking good"
He's done all, all he could do
So I called on Jesus and my momma, she's still here
God keeps performing miracles for me
He keeps on doing amazing things

Every time that I wanted to give up
Every time I cried, you wiped my tears
I'm smiling now, please let me tell you why
Cause God keeps performing miracles for me

Every time that I wanted to give up
Every time I cried, you wiped my tears
I'm smiling now, please let me tell you why
God keeps performing miracles for me
He keeps on doing amazing things

I can testify there's nothing God can't do
If you trust in Him, He will come through
Just call His name and everything will be alright
Cause God keeps performing miracles for me

Every time that I wanted to give up
Every time I cried, you wiped my tears
I'm smiling now, please let me tell you why
God keeps performing miracles for me
He keeps on doing amazing things

God still does miracles
God still does miracles
God still does miracles
God still does miracles

Just for me
Just for me
Just for me
Miracles

Just for me
Just for me
Just for me
