

We Give You Glory Reprise

James Fortune & FIYA

For you have fought for me
Defeated death for me
The weight of sin you carried for me
Your never ending love
What you gave, you gave for us
Is more greater than
Far more greater than anything

For you have fought for me
Defeated death, defeated death for me
The weight of sin you carried just for me
Your never ending love
What you gave, you gave for us
Is far more greater than
Anybody give a testimony
It's greater than anything

So we give you glory, we give you glory
We give you glory oh God

Emanuel, we know you're with us
So we give you glory oh God
Hallelujah
Hallelujah
The glory of the Lord is here
Somebody give Him high praise
Hallelujah
Oh God
Somebody shout high praise
Hallelujah
Hallelujah
Shout out a higher
Hallelujah
Hallelujah oh God

For you have fought for me
Defeated death for me
The weight of sin was carried for me
Your never ending love
What you gave for us
Is far more greater than anything

Send your power, send your power
Send your power oh God
Send your power, send your power
Send your power oh God
Send your power, send your power
Send your power oh God
Send your power, send your power
Send your power oh God

Send your power, send your power
Send your power oh God
We give you glory, we give you glory
We give you glory oh God
We give you glory, we give you glory
We give you glory oh God

We give you glory, we give you glory
We give you glory oh God
We give you glory, we give you glory
We give you glory oh God
