

Decide

James Hersey

I think that I'm falling in love
Obsessed with the way that you talk
I don't know how to give you up
Ooh how could I give you up?

I'm falling in love
Obsessed with the way that you talk
I'm falling in love
I'm falling in love
Obsessed with the way that you talk

I can't get enough
Ooh how could I give you up?
I can't get enough

It's alright, it's alright
Take your time to decide
What you need in your life
It's alright, it's alright, ooh

I think that I'm falling in love
Obsessed with the way that you talk
I don't know how to give you up
Ooh how could I give you up?

I'm falling in love
Obsessed with the way that you talk
I'm falling in love
Obsessed with the way that you talk

I can't get enough
Ooh how could I give you up?
I can't get enough
Ooh how could I give you up?
I can't get enough
Ooh how could I give you up?
