

Forget (About Everyone Else)

James Hersey

(Whoa, put 'em on me)
(Forget about everyone else)
(Whoa, put 'em on me)
(Whoa)

Hold onto me
I won't let go before I know for sure that you're asleep
Don't hide your body, babe
You're all I think about when I'm gone, when I'm gone

Let me take you away
Forget about the problems that you can't escape
I can make them all disappear

Whoa, put 'em on me
Forget about everyone else
Whoa, put 'em on me
Forget about everyone
Look into my eyes
Come in close, yeah, come in close
Whoa, put 'em on me
Forget about everyone

Stop tryna hide everything you've been through
No, I don't mind the thing you got into
Can't change the past
But there's one thing I can do
Yeah, I wanna be, wanna be with you

Call me up
When you need somebody now
You can lay down on me, yeah
'Cause nobody's ever been better

Let me take you away
Forget about the problems that you can't escape
I can make them all disappear

Whoa, put 'em on me
Forget about everyone else
Whoa, put 'em on me
Forget about everyone
Look into my eyes
Come in close, yeah, come in close
Whoa, put 'em on me
Forget about everyone

Whoa (Forget, forget, forget)
Whoa (Forget about everyone else)
Whoa (Forget, forget, forget)
Whoa (Forget about everyone else)

Whoa, put 'em on me
Forget about everyone else
Whoa, put 'em on me
Forget about everyone
Look into my eyes

Come in close, yeah, come in close
Whoa, put 'em on me
And forget about everyone
