

Never Felt So Good

James Ingram

I don't know but suddenly I'm believing in love again
My friends think I'm crazy
I keep waking up at night
But every time I see her
It feels so good
I never felt like this before
I just wake up and little bit shivered
I just can't stop to think of you
I just don't know

Could it be I'm dreaming
Or was it the wishing well, baby
Suddenly I'm believing
In love, baby, all over again

Don't know how it all started
We have the same desire
I only wanna be closer
I'm caught up in your fire

I never felt so good about love
What about you, oh baby
And this heart beats a melody
Only for you

You take me to the limit
Each and every time, lady
Now I'm knee deep in it
Loving you, and the water's just fine

Darling, these arms of mine
Wanna hold you like there's no tomorrow
Kisses were never sweeter
Where you lead I'll follow

'Cause I never felt so good about love
What about you, oh baby
And this heart beats a melody
Only for you you you, baby

I never felt so good about love
What about you, baby
And this heart beats a melody
Just only for you...

Never felt so good about love
What about you
And this heart beats a melody
For you

Never felt so good about love
What about you
And this heart beats a melody
Only for you

Never felt so good about love
What about you

And this heart beats a melody
Only for you
Only for you...
