

# Yah Mo Be There

James Ingram

Heavenly Father, watchin' us fall  
We take from each other and give nothing at all  
Well, it's a doggone shame  
But never too late for change  
So, if your luck runs low  
Just reach out and call His name, His name

Yah Mo Be There, Yah Mo Be There  
Yah Mo Be There, Yah Mo Be There

Whenever you call...

Never be lonely, lost in the night  
Just run from the darkness, lookin' for the light  
'Cause it's a long, hard road  
That leads to a brighter day, hey...  
Don't let your heart grow cold  
Just reach out and call His name, His name...

Yah Mo Be There, Yah Mo Be There  
Yah Mo Be There, Yah Mo Be There  
(2x)

Yah will be there  
You can count on it brother  
'Cause we're all just finding our way  
Travelin' through time  
People got to keep pushin' on  
No matter how many dreams slip away  
Yah will be there

Well, it's a doggone shame  
But never too late for change  
So, when your luck runs low  
Just reach out and call His name  
Just call His name

Yah Mo Be There, Yah Mo Be There  
Yah Mo Be There, Yah Mo Be There
