

# Ramble On

James LaBrie

The leaves are falling all around, time I was on my way  
Thanks to you, I'm much obliged for such a pleasant stay  
But now it's time for me to go, the autumn moon lights my way  
For now I smell the rain, and with it pain, and it's headed my way  
Ah, sometimes I grow so tired  
But I know I've got one thing I got to do

Ramble on, and now's the time, the time is now  
To sing my song, I'm going 'round the world, I gotta find my girl  
On my way, I've been this way ten years to the day  
Ramble on, gotta find the queen of all my dreams

Got no time to for spreading roots  
The time has come to be gone  
And though "Our health" we drank a thousand times  
It's time to ramble on

Ramble on, and now the time, the time is now  
To sing my song, I'm going 'round the world, I gotta find my girl  
On my way, I've been this way ten years to the day  
I gotta ramble on, I gotta find the queen of all my dreams

I tell you no lie

Mine's a tale that can't be told, my freedom I hold dear  
How years ago in days of old, when magic filled the air  
'Twas in the darkest depths of Mordor, I met a girl so fair  
But Gollum and the evil one crept up and slipped away with her  
Her, her, yeah  
Ah, there's nothing I can do now  
I guess I'll keep on

Ramblin', I'm gonna shake (Sing my song)  
I gotta find my baby  
I'm gonna ramble on, sing my song  
Gonna work my way, going 'round the world  
Baby, baby (Ramble on)  
Do do do do do do do do, my baby  
I can't stop this feeling in my heart  
Every time I think about my baby I think, "We gots to part"  
Gotta keep on searching for my baby  
Baby, baby, baby, baby, baby  
I gotta keep on searching for my baby  
My, my, my, my, my, my, baby  
I can't find my bluebird!  
I listened to what my bluebird said, but I, I can't find my bluebird!  
I keep rambling, baby
