

Don't Cry For Me Argentina

James Last

It won't be easy, you'll think it strange
When I try to explain
how I feel That I still need your love after all that I've done

You won't believe me All you will see is a girl you once knew
Although she's dressed up to the nines
At sixes and sevens with you

I had to let it happen, I had to change
Couldn't stay all my life
down at heel Looking out of the window, staying out of the sun

So I chose freedom Running around, trying everything new
But nothing impressed me at all I never expected it to

Don't cry for me Argentina The truth is I never left you
All through my wild days My mad existence, I kept my promise
Don't keep your distance

And as for fortune and as for fame I never invited them in
Though it seemed to the world they were all I desired

They are illusions They're not the solutions they promised to be
The answer was here all the time I love you and hope you love me
Don't cry for me Argentina

Don't cry for me Argentina The truth is I never left you
All through my wild days My mad existence, I kept my promise
Don't keep your distance

Have I said too much There's nothing more I can think of to say
to you But all you have to do is look at me to know
That every word is true
