

Tenderly

James Last

Speak softly, love and hold me warm against your heart I feel y
our words, the tender trembling moments start We're in a world,
our very own Sharing a love that only few have ever known

Wine-colored days warmed by the sun Deep velvet nights when we
are one

Speak softly, love so no one hears us but the sky The vows of l
ove we make will live until we die My life is yours and all bec
ause You came into my world with love so softly love

Wine-colored days warmed by the sun Deep velvet nights when we
are one

Speak softly, love so no one hears us but the sky The vows of l
ove we make will live until we die My life is yours and all bec
au-au-se You came into my world with love so softly love
