

## What Now My Love

James Last

What now my love, now that youve left me  
How can I live through another day  
Watching my dreams turn to ashes  
And my hopes turn to bits of clay

Once I could see, once I could feel  
Now I am numb, Ive become unreal  
I walk the night, without a goal  
Stripped of my heart and my soul

What now my love, now that its over  
I feel the world falling all around me  
Here come the stars, tumbling around me  
Theres the sky, where that sea should be

What now my love, now that youre gone  
Id be a fool to go on and on  
No one would care, no one would cry  
If I should live if I should live or die

What now my love, now there is nothing  
Only my last, my last good-bye
