

# Sleeping On Trains

James Marriott

Welcome aboard this service to Brighton  
We will be calling at-

How could it be that we stopped just like that?  
You stole your life back  
We part ways, I never listen  
Do you think of the night when you packed all my bags?  
She stared at the stack  
To locate what was missing

Look what you started by ignoring all the signs  
You never changed, still obsessed with losing time  
There it goes, there it goes, there it goes  
Put your pride aside  
You're just getting by  
And I'm the same life-draining man that I've always been  
Fuck being human, switch my blood for kerosene  
There it goes, there it goes, there it goes  
I'm not satisfied, but I'm sleeping on a train again

Point out the fault that made you want to quit  
I'll cope with the shame  
I might deal with it  
For your friends who refused to cough up their goodbyes  
I'd see you all soon  
If I never lied

Look what you started by ignoring all the signs  
You never changed, still obsessed with losing time  
There it goes, there it goes, there it goes  
Put your pride aside  
You're just getting by  
And I'm the same life-draining man that I've always been  
Fuck being human, switch my blood for kerosene  
There it goes, there it goes, there it goes  
I'm not satisfied, but I'm sleeping on a train again

When all is said and done  
You came just for the ride  
The next one has begun  
And I, and I  
I'm alone on the run  
Until our paths collide  
Are you upset that I won?  
Oh my, oh my

Look what you started by ignoring all the signs  
You never changed, still obsessed with losing time  
There it goes, there it goes, there it goes  
Put your pride aside  
You're just getting by  
And I'm the same life-draining man that I've always been  
Fuck being human, switch my blood for kerosene  
There it goes, there it goes, there it goes  
I'm not satisfied, but I'm sleeping on a train again
