

# Addicted

James Maslow

I'm sweating, I'm shaking  
I don't know what time it is  
My cravings, they're growing right now  
I'm blurry, mistaken  
I don't know how long it's been  
Without you, I need you somehow

Can't control these demons  
Baby, you're the reason  
Tell me that you feel it too  
I can't control these demons  
Nothing like this feeling  
Tell me that you feel it too

I'm addicted to you  
Addicted to you  
I'm addicted to you

I tasted, I'm wasted  
You're everything I need  
Nobody can fix me like you  
My memory is fading  
I need some reminding  
Of how you possess me so good

Can't control these demons  
Baby, you're the reason  
Tell me that you feel it too  
I can't control these demons  
Nothing like this feeling  
Tell me that you feel it too

I'm addicted to you  
Addicted to you  
(I'm addicted to you)  
Addicted to you  
I'm addicted to you

Temptation growing stronger  
I can't hold on  
I'm addicted to you  
I'll try a little longer  
But baby I need you  
I'm addicted to you  
(I'm addicted to you)  
I'm addicted

Can't control these demons  
Baby, you're the reason  
Tell me that you feel it too  
(Tell me that you feel it too)  
I can't control these demons  
Nothing like this feeling  
Tell me that you feel it  
That you feel it too

I'm addicted to you

Addicted to you  
I'm addicted to you  
Addicted to you  
I'm addicted to you

Temptation growing stronger  
(Growing stronger)  
I can't hold on  
(I can't hold on, no)  
I'll try a little longer  
But baby I need you  
I'm addicted to you
