

In My Head

James Maslow

Walking through this concrete jungle
I'm walking, just walking
Can't let 'em ever see me crumble
They're talking, keep talking

Feel my feet lifting off the ground, I
Don't wanna wake up 'cause it's better in the clouds
Paint the sky shades of blue, on a high, breaking through
Leave the dark for the light when the dream comes to life

It's all in my head
It's all in my head
I'm gonna dream in color
(It's all in my head)
I'm gonna dream in color

No one's up 'cause it's too damn early
Just need me and, and my thoughts
But now it's like time moves slowly
I'm ready with all I've got

Feel my feet lifting off the ground, I
Don't wanna wake up 'cause it's better in the clouds
Paint the sky shades of blue, on a high, breaking through
Leave the dark for the light when the dream comes to life

It's all in my head
It's all in my head
I'm gonna dream in color
(It's all in my head)
