Slowly

James Morrison

I was born rage and sadness
Doesn't everybody cry in their first day?
You try and get sane when your raised on madness
It takes alot to break a chain

I belong
I beling somewhere

Today could be the day that I save myfself
But how do you be somebody new?
Well I don't know how I'm meant to fool myself
For a second I can when I'm with you
Slowly, slowly
I'm gonna realise who I'm meant to be

I've only just begun to know my mother
I know less about my dad since he passed away
I've always lived in rooms that had no windows
I guess I better look inside myseld anyway

I belong
I belong somewhere

Today could be the day that I save myfself
But how do you be somebody new?
Well I don't know how I'm meant to fool myself
For a second I can when I'm with you
Slowly, slowly
I'm gonna realise who I'm meant to be

It takes so long
I've finaly found what I've been searching for all along
It's getting better baby
Thinking about you so much
I forget about me

Today could be the day that I save myfself
But how do you be somebody new?
Well I don't know how I'm meant to fool myself
For a second I can when I'm with you
Slowly, slowly
I'm gonna realise who I'm meant to be
